

Gallatin Eagles

RC FLYING CLUB

Hello

Well, summer hot weather showed up but I am not complaining. Great flying weather!

Our appreciation Day out at the Field went really well. Olive Garden did a great job of setting us up with great food. We could not have asked for better weather and I believe the guests had a great time. They were really impressed with what we have done at the field, they had no idea how nice it was. We had around twenty people total, down a little from when we held it at Dave's bbq but I know weekends during summer are hard. Maybe we can talk about a different time for next year.

Some exciting news, our member of the year, Dan Matthews, has donated the installation of Wisp West internet at the clubhouse. On top of that he has donated a weather station that we will be able to log into and see what the weather is at the field! The donation also covers the monthly cost of the internet till January. I am working with Wisp West on a discount rate for our club. I will be working on getting the weather station up soon. Just when you think it could not get any better, wow! Thanks Dan!

So proud to be a part of this club, we are very fortunate.

Keep Flying
Destry

Gallatin Eagles Upcoming Events July 2022

Tuesdays, Pilot Training, 5:00 PM until dark.
Every Tuesday until end of Summer (Weather permitting).

12, Tuesday, 7:15 PM, Meeting at the field.

16, Saturday, Battle for the Mountains, RC Combat.
See details next page!

For more information on club events see our website: gallatineagles.org/calendar

Battle for the Mountains

Saturday July 16, 2022
10927 Kelly Canyon Road,
Bozeman, MT 59715

6 rounds each Open-B & 2610 Scale.

Registration & pilots meeting 9-10am, Carnage begins 10am.

Go to <https://rccombat.com/index.php/civicrm/event/info/?reset=1&id=40>

AMA & **hardhat** required.

All AMA & RCCA rules followed. Test your skills in a challenging mountain environment.

\$20 pilot fee for either event. \$30 for both.

RCCA sanctioned event. National points awarded. (Note: You do not have to be an RCCA member to participate)

COMPLIMENTARY LUNCH FOR ALL REGISTERED CONTESTANTS and JUDGES
(\$5.00 for spectators)

This is an event well suited for spectators! Lots of action! Radio controlled “combat” aircraft are flown in heats of 4 or more, each towing a 30 foot streamer of crepe paper. Each pilot gains points by severing a competitors streamer while trying to protect his own. Extreme maneuvering and frequent mid-air collisions result!

Anyone interested in radio controlled flying will want to see this.

A Colorado Train Ride

I'll miss the Appreciation day as we'll be in Arizona for a week. We plan to drive in a rented RV up to Durango, CO, and ride the train up to Silverton and back. I might get to a hobby shop or two along the way.

I'll see everyone when we get back.

Chuck Curtis

Larry's Log,

The Appreciation Day was a great success! This was to thank our wives and significant others for supporting our flying habit. I think 15 was the final head count. Destry and Chris Jacobs organized a catered lunch from the Olive Garden. The field was in great shape thanks to Lee Fisher. The weatherman was also cooperating. Good food, good friends and good weather! Hurray!

I salvaged the Aero Scout left in the club house. New servo arms and a few tweaks here and there make it flyable. Should be a good trainer for my 2 grandsons. Thanks to whoever left it.

Keep on Flying!!

Larry Nelson
