## RC FLYING CLUB

**Hello,**

I hope you are all well and keeping up with this crazy weather. Ninety degrees, rain, chance of snow in the mountains this weekend, got to love Montana.

I have been out at the field quite a few times and I am happy to say it has been busy. It makes me happy to see everyone out enjoying the field. Our next event is our open house Sept 17th and I hope for great weather and a big turnout of pilots so we can do some events. We will do some lunch, lots of flying, and bring some stuff if you want to sell or trade. I did stop into Radio shack to see if we could get a raffle prize and see if they wanted to come out and set up a table to advertise. They have been great for the club and told me to let them know if there is anything they need to stock for us, I thought that was pretty cool. Get your self together, make sure you can make that date work and let's have some fun!

Are you using the weather station? I check it many times a day just for the fun of it. It has already saved me going out to the field many times, check it out!

As promised, I have replaced the belts and blades on the lawn mower so it is ready to go. Thank you Bill for the extra hands.

See you at the next meeting, let's talk about some events for the fun fly!

Destry

### **Gallatin Eagles Upcoming Events September 2022**

Tuesdays, Pilot Training, 5:00 PM until dark.  
Every Tuesday until end of Summer (Weather permitting).

13, Tuesday, 7:15 PM, Meeting at the field.

17, Saturday, Fun Fly and Open House. 9:00 - ?

For more information on club events see our website: [gallatineagles.org/calendar](http://gallatineagles.org/calendar)

**Summer of Too's**

Too Hot, Too windy, Too wet, Too dry,--it's been a summer of Too's. But-things will get better. I've managed to do some building, but--Too little, I'm sure. If anyone needs small parts-I probably have it.

Chuck Curtis

**Web Cam**

New Technology at the field! Thank you to Dan, now you can see what is going on at the field.
