

Gallatin Eagles RC FLYING CLUB

Hello,

The year of 2022 comes to a close and we bring on the New Year of 2023. As a club we are stronger than ever and I am excited about where we are heading.

At our December meeting, we always elect the officers for the upcoming year. This meeting there was a great turn out and we saw some faces that we have not seen in a while, Thank you for those of you that were able to come out and participate. As you may expect we had our club officer elections and it was quickly voted through that the current Officers stand for the next year. As your residing president I appreciate all of your support and really enjoy seeing us all come together on meeting nights, work days and flying events. This is not just my club it is our club and what we have done and built together is top notch and we have something to really be proud of. let's keep up the momentum for next year. How can we make it better? What do we need to work on? Well, that's where you all come in, bring your ideas, making the discussions together makes it happen. In a nut shell I am proud to be the president of such a great club and a wonderful group of people. Look what we built!

During our last meeting, we voted on some changes for next year to help build up our bank account to help pay for some of the amenities that we have which I personally believe is money well spent. First, annual club dues paid after January 1 will be \$60 for an adult and \$60 for a family. We also left the youth Membership at \$20. Second, we voted that club officers will also pay the club dues. This will help offset some of the costs we have and leave some in the bank. As always, any donation to the club is always appreciated.

New Year's Day fun Fly!

Happens every year no matter what. We will start around 9am I have worked on having a good mix of runway and snow for this year. Brian and Joni are making their chili again so I won't burn it. Les said maybe some brownies, and for anyone else bring what sounds good. Looking for lots of flying, the weather looks good and we have a nice clubhouse to hangout in. Bring your spouse, bring a friend, it is a great time to catch up and start the new year. Ruslan will be pulling the raffle ticket for the Cessna 150 also so it is a good time to get your ticket. All proceeds donated to the

Destry's airplane, ready for a night flight!

club by Ruslan. We are hoping to raise around \$700. It is going to be a great time, see you there!

Destry

Hot Chocolate!

It's time for our winter fun fly! I plan to have hot chocolate available in the club house. If this heat wave persists, we may have to use wheels instead of skis!

Anyway it goes, it'll be a fun day.

Chuck Curtis

Gallatin Eagles Upcoming Events:

January:

- 1, New Years Day Fun Fly, 9:00 AM at the field! Come prove you're an all weather pilot!
- 10, Tuesday, 7:15 PM, Meeting at the field in our insulated, heated and lighted clubhouse!

For more information on club events see our website: gallatineagles.org/calendar

Reminder!

As we head into the new year, it's easy to overlook our AMA membership. This **must** be current if you plan to fly on January 1st! Fortunately, it's easy to renew this online at: <https://www.modelaircraft.org/membership/enroll>

It's also a convenient time to renew your Gallatin Eagles membership if necessary and to check on your FAA registration.

Stan Johnson
