has supported us all year and is responsible for the building of our new field house at the field, thank you for everything Butch!

I hope you are working on your flying projects and getting some flying in, the

Our next meeting will be at the church. We are looking to vote on a new club plane to build together and a club swap meet. Bring something in or at least a photo to show. We will also be having our club officer elections for next year so be sure to show up to cast your vote. We will also go over some ideas for our New Year's Day fun fly, coming up soon.

See you at the meeting,

Destry

Hello,

Well it is December already. Our last meeting was our appreciation dinner at Dave's BBQ. We had a great turnout this year, it was great seeing you all and meeting your guest that supports our habits.

Our member of the year is Butch Keys. Butch

Member of the Year Award recipient Butch Keyes and his wife, Kathy.

**A reminder from the Safety Guy:**

Tis the building season. With all the toxic chemicals we use in this hobby, be sure to have a well ventilated work area. These chemicals are accumulative and are absorbed by your body over time. Also, don't forget to wear your safety glasses when using power tools. You need both eyes to fly.

Safe hobby,  
Larry

**Indoor Fun Fly**

Brian Westberg has lined up a couple of indoor Flying dates for us, both at Grace Bible Church. They are:

Monday, December 18th. 5:15 to 9:45  
Friday, March 9th 5:15 to 9:45

He's looking into other possibilities as well. Additional dates may be added if venues are available.

**Scale Masters Qual Meet**

I'll miss the Dec meeting As we leave for Arizona on Dec 1<sup>st</sup> and back on the 15<sup>th</sup>. I'll bring back pictures from the Scale Masters Qual meet, however, I'll see everyone at the New Year's day fun fly.
