

Gallatin Eagles

The Gallatin Valley's model aircraft flying club

Our club promotes model building and flying. We have an insured flying field and offer free flight training for new members using a buddy box system. We have members interested in remote control Gliders, Electrics, Helicopters, and Glow Fuel/Gas models of all sizes. We also have members that fly control line aircraft. We do not currently sponsor any pattern competition but we do host an annual combat event. We also have periodic fun fly events where members compete in various flying activities. Many members fly year around.

Meetings are held on the second Tuesday of each month at 7:15 p.m. at the field, in our insulated, heated and lighted clubhouse. During the summer we provide training every Tuesday starting at about 5:00 at the flying field. Additional training can be arranged with instructors.

Annual membership dues in our club are: \$60.00 for an adult or family, \$20 for a youth, half price for MSU students and faculty. New memberships are half price after 1 July. After 1 October full price gets current year plus the next year. See AMA definitions for 'youth' and 'family' memberships.

The club is chartered/insured by the AMA (Academy of Model Aeronautics), which requires anyone using the flying field to be a member of the AMA. Membership applications are available at www.modelaircraft.org AMA memberships are: Open Membership - \$85.00, Senior Citizens - \$75.00, The *Model Aviation* magazine is included with membership.

FAA sUAS registration

To comply with the FAA requirements for small Unmanned Ariel Vehicles (sUAS), all operators of unmanned aircraft that weigh between .55 and 55 pounds must be registered.

To register, go to <https://registermyuas.faa.gov>

For additional information or to arrange a free introductory flight, please contact one of the club officers. Please bring the Membership Application below to a club meeting or mail to Chuck Curtis, 119 W College St, Bozeman, MT 59715.
