

# Gallatin Eagles

## RC FLYING CLUB

### Hello!

Here comes March! I can feel the days getting longer with more daylight. We have been pretty fortunate with the weather and being able to fly. I have done my best on keeping the runway clear between snow storms and I think some one else has also used the snowblower and I appreciate that. It has been working pretty well. Dan bought us a kit to fix the electric start, I just need to get it put on.

Our last meeting was a bust, only five people

### Gallatin Eagles Upcoming Events 2024

March 9, 10:00 AM: Meeting at the field

April 1 - 8, Bank Window Display

(Monthly meetings during winter will be held at 10 AM on the 2nd Saturday of the month. This allows us to meet in the daylight, and maybe catch some air time!)

For more information on club events see our website: [gallatineagles.org/calendar](http://gallatineagles.org/calendar)

showed up. I had to eat all the Muffins. We just visited and I pushed some snow around. We did put some pontoons on Jace's Aero Scout which worked great. Our next meeting is March 9th so weather permitting we can catch up and do some flying. If you have a problem or project or just need some help this is a perfect opportunity.

We have our bank window display coming up on April 1st, we will need some help and some planes to display.

Not much else going on right now, just keep flying! See you at the meeting.  
Destry

*Editor's note: See page 3 for Destry's other 2 photos!*
