## RC FLYING CLUB

### Hello

Burr, winter cold is here!

Last meeting, we had our very first December meeting at our clubhouse, pretty awesome! We had power, heat, lights, then it started to snow like crazy, but we were inside and very comfortable. We had our club officer elections last meeting and as you might expect all positions stayed the same for the 2022 year. As your reelected president I thank you for all the support. I am excited for the year to come just making this club stronger and better with all of you. Thank you to the other officers for your continued service and all that you do. we also announced the member of the year, it was Dan Mathews. His commitment to flying, his participation in the club and events and his willingness to help anybody makes me proud to have him in our club. also, I would like to thank him for his financial contributions to our clubhouse. It would not be where it is without him helping on this final stage of insulation and heat, Thank you Dan!

Our annual New Year's day Fun Fly is coming up. it looks like the weather will be brisk but just like always, a tradition. Even if you just get one flight in, it is the first flight of the year. On top of that this will be the first year we have a heated clubhouse so we will have some Westburg chili (not burned) and enjoy each other's company. I will check on the parking lot Friday so i can be sure we can get in. bring your skis and pontoons, the runway will not be plowed.

Do not forget to renew your AMA, and January is a good time to Pay your club dues, the dues money keeps our club growing strong.

I have been working on the Gallatin Eagles Classified Facebook page. If you are on Facebook and would like to be added please let me know. If you do not do Facebook but would like to sell something, send me the info and I will post it for you. My goal is to have this as a Montana only page to share between the clubs, no shipping just a good way to post local for sale items. Any questions or ideas please let me know.

See you on New Year's fly into 2022!  
Destry

**Gallatin Eagles Upcoming Events:**

**January:**

- 1, New Years Day Fun Fly, 10:00 AM at the field! Come prove you're an all weather pilot!
- 11, Tuesday, 7:15 PM, Meeting at the field in our insulated, heated and lighted clubhouse!

For more information on club events see our website: [gallatineagles.org/calendar](http://gallatineagles.org/calendar)

Larry's Log,

This New Year's Fly In looks to be GREAT!! The weather is supposed to be sunny and clear, although cold high of 15F. We have the new club house WITH HEAT. So.... you fair weather flyers have no excuse. Get the wheels off and put of the skis. Or just remove the wheels. I hope to see you on Saturday starting around 10am.

Keep on Flyin'

Larry
