RC FLYING CLUB

September Already!???

It looks like I'm sitting in for Destry this month, newsletter wise.

There were quite a few good flying days in August and I hope many of you had opportunities to take advantage of them.

Aside from the regular Tuesday night training and flying we have our annual Fun Fly, Open House and Swap on September 16. Speaking of pilot training, our Tuesday evening sessions officially end at the end of September.

Destry is hoping we can get a field work day in sometime soon, a notice will be sent out when that's going to happen.

Club Dues

By this time of the year we should have all our dues in hand. If you are one of the holdouts that let it slip your mind, please send a check for \$60.00 to Chuck Curtis at [119 W College St, Bozeman, MT 59715](#). We have picked up a few new members this fall. Our count of paid members is at 42. Thanks for supporting your club.
