

## Club Meeting

Tuesday, April 8, 7:15 PM at Methodist Church basement.

The church is on the Northwest corner of Willson Ave. and Olive St. Use the Alley side entrance.

## Chuck's Travels

In February, we went to Arizona for the Scale Masters Qual meet but was really disappointed. There were no vendors and the number of planes was down by half. On May 15th, we'll drive to St George, Utah, for a IMAA war bird meet. This appears to be a big one - they took out full-page color ads about it. Keith and Shirley are driving up from Gilbert, AZ, and will meet us there. We hope to go to the banquet on Sat night too.

It's always nice to visit the vendor booths and, quite often, they'll have sale items. At times, there have been used engines, etc, at a booth. We'll be taking lots of pictures and I'll have those when we get back.

## Hello All,

Another month here and gone. It has been kind of quiet, weather has not been very good for flying, just working on indoor projects.

I have been working on a couple of things for the mall show. There will be a sign for our bank window to let people know that we are at the mall since they overlap, I hope that may help for some more traffic. I got some small bumper stickers made with our club info on them. I think they will be great to hand out, put them on flight box, car, or airplane, just something to help get our name out there.

Mike Hutchinson has been working hard on our club trailer getting it licensed so we are legal and we are working on some vinyl graphics for it for advertising. I think it will be great for fun fly's.

Don't forget our mall show is April 12 looking for some help to set up and bring airplanes to display, please let me know if you can help. we will have one more meeting before the show so we can make a plan then.

See you soon,

Destry
